

We create unique venues anytime, anywhere...

About Us

Al OMER Tents is a leading manufacturer in Tents Industry. The company is established by Mr. Muhammad Omer Khalil, having vast experience of more than 15 years' in the tents industry. He founded AOT with an aim to provide quality tents and ambience for your event by innovation, creativity & high quality fabric. In order to exceed clients' expectations, AOT has made strides and refined the methods to cater to their specific needs.

It is a leading company in the tents industry due to its standard of items, Innovation, Efficiency, Costs & favorable co-operation with clients.

AOT specializes in tents manufacturing, sales, and rental solution. We provide our clients with opportune, reliable, hassle-free services, while preserving environmental, occupational, and health standards. By assessing and incorporating the most recent advancements in innovations, we provide our clients with a reliable and competent service.

Vision

We anticipate to provide quality services that exceeds prospects of our esteemed clients by commitment to develop innovations inspired by tradition and to remain ahead of the competition in the tents industry by offering high quality services that give vital esteem to client desires.

Mission

Regional expansion in the field of tent rental and develop a strong bond with customers by providing exceptional services through innovation. Our aim is to always provide solutions according to clients' desire.

Objectives

In order to discern the sources of issues and their effects, we apply the ADCA cycle- Arrange, Do, Check, and Act, which is critical to supporting enhancement projects from start to finish.

In order to ensure our Tents & accessories, we fabricate meets our standards, we have invested in the skills development of our employees and the generation of equipment and space.

Due to our successful utilization of innovation, we are capable of reducing fabric waste, labor costs and execution time.

Tent Rentals

Renting a tent is an ideal way to create a temporary venue for a variety of celebrations and events such as corporate gatherings, exhibitions, awards ceremonies, weddings, and sport events.

The tent rentals are also available for commercial requirements such as temporary expansion of restaurants, warehouse space, showrooms or even as facilities for labour and military camps.

There are a variety of accessories available for installation according to the needs of the temporary venue space such as integrated airconditioning and generators.

Our experienced team works with 24/7 dedication, to deliver end-to-end hassle-free service for every project.
